2022 SUMMER

camp guide

Online Registration Begins February 2, 6pm

www.HowardCountyMD.gov/rap

Welcome to the 2022 Camp Guide!

As we approach another summer, Howard County Recreation & Parks is thrilled to offer our award-winning camps for new and returning customers!

In this guide, you will find some new and exciting camps such as *Abakadoodle: Music & Art* (page 12) and *Robinson Nature Center's Stream Searchers Mini Camp* (page 30), in addition to some customer favorites like *Summer Blast* (page 7), *American Girl Camps* (page 20) and *Bricks4Kidz Camps* (page 24). If you're looking to give back to your community this summer, be sure to check out our *Junior Counselor* section (page 21). We encourage you to browse through the entire guide as we have many unique camp offerings.

To make your summer planning easier, we have included a sun symbol that highlights camps that are eight hours or longer. We continue to include camps that are online or may become online.

With many options to choose from, we hope you and your family can create fun memories this summer in Howard County. Be sure to sign up early, many of these programs fill quickly!

NEW! Camp Magical Mash-Up with Club SciKidz: Travel with us to the land of all things magical and sparkly! Glitz and glam is a key ingredient as we make yummy recipes and magical crafts. Make a feast of unicorn desserts and DIY unicorn planter. Mermaid fudge will keep our bellies full, and mermaid sugar scrub will keep our skin feeling smooth! Our final stop will be the enchanted forest, where we'll make Dragon Scale Slime and mini-Witch Cheesecakes. Join us for this magical journey filled with color and sparkle!

Cooking Ever After with Club SciKidz: Our favorite children's stories and fairy tales come to life in this camp through cooking! Become a fairy and create your own Pixie Dust. Read and act out stories and create your own Stone Soup. The Three Little Bears comes to life as we create a bear mask and "beary" cute treat. Join the Lost Boys of Peter Pan to create Pirate Ship Pizzas.

NEW! Culinary Artist Extraordinaire with Club SciKidz: Culinary artists bring art and cooking together in an exciting, new way! Learn about different artists, kinds of art and art techniques. Then make, cook and bake treats that use the technique, style or specific artwork for inspiration. Learn about how artists use color to express feelings and emotions and recreate Van Gogh's *Starry Night* on grilled cheese! Explore how different artists use geometric forms and make Kandinsky Cakes.

Culinary Creations with Club SciKidz: Come join us for a week of culinary creations! Focus on a new theme each day. Travel under the sea to learn about various sea creatures and make Octopus Cupcakes. Travel back to land and learn about insects and bugs by making Lady Bug Cookies and a healthy snack like Vegetable Bugs. Enjoy learning about our world while creating new and fun recipes.

Cupcake Wars with Club SciKidz: Tie on your apron and prepare for battle! Come learn about the principles of baking. Take these tools to the kitchen as you compete in a different cupcake baking challenge each day. Begin with the basics and by the end of the week make cupcakes and frosting from scratch. Each day has a different theme, such as All About Me, Animals, and Under the Sea! Prepare to get creative and enjoy the journey.

Galactic Kitchen with Club SciKidz: Blast off your learning about our cosmos through delectable treats and crafts. Bake and create Space Rocks from scratch! Identify constellations and bake Constellation Cookies. Create Cosmic Cupcakes from scratch and decorate it with an alien on top!

NEW! Game On! with Club SciKidz: We're combining your love of sports with another favorite pastime: eating! Learn about (and play) sports and then create delicious recipes that connect to the sport. Make your own handheld basketball game and then move from the court into the kitchen to make basketball cake balls! For baseball, play an exciting game of tee-ball and then head back to the kitchen to do a baseball-inspired craft and make two different kinds of baseball pretzels! For golf, make your very own Hole-In-One donuts! This camp is sure to be the MVP of your summer!

Jurassic Chef with Club SciKidz: Come learn about the dinosaurs through cooking! Create your very own Dinosaur Footprint Flapjacks. Hatch your own Dinosaur Egg by creating a chemical reaction. Explore the prehistoric era by making your own fossil egg and Dinosaur Dirt. Discover animals locked in time by creating Dino DNA Amber Treats.

Kitchen Chemist with Club SciKidz: In this camp, the kitchen becomes a scientific laboratory where you are both a scientist and chef. Learn about and then create delicious chemical reactions, non-Newtonian fluid, and different states of matter. Put a twist on the classic "vinegar and baking soda volcano" by making lemon volcanoes. Tie a recipe to the Statue of Liberty. Complete a recipe from Australia!

Nailed It! with Club SciKidz: Just like in the TV show, each day you are given a culinary task to recreate. You are provided with the inspiration and the recipe to recreate the masterpiece. Use your creativity and resourcefulness in the kitchen to make a masterpiece. Some examples of what you recreate include Minion Cupcakes and homemade Hamburger Cakes. Can you "Nail It?"

School of Culinary Wizardry with Club SciKidz: Join Harry in the kitchen and try your hand at some magical and mystical culinary creations. Your adventure begins with Sorting Hat cupcakes and choosing and creating your own magic wand. Continue to Hogswade and create Butterbeer and Golden Snitch Truffles. What magical spells will you use in your creations? The Ministry of Magic will undoubtedly enjoy your treats!

Journey to Hogwarts with Harry Potter

by Rita Snyder & Associates **flickr**

Pack your bags and meet at Platform 9 ¾ to travel to Hogwarts School of Witchcraft and Wizardry. The books come alive as you visit each house (Gryffindor, Hufflepuff, Ravenclaw, Slytherin) and take classes with Harry through his years at Hogwarts. Each camp includes creating different crafts, plenty of hands-on activities, playing Quidditch (on brooms!) and competing for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Each camp offers a unique experience. Campers do different activities based on the book for each camp, but Quidditch is played at every camp! Camps can be taken in any order. Full day and half day options available.

Harry Potter 1: *The Sorcerer's Stone*

Your invitation to Hogwarts has arrived! First-year students visit Diagon Alley to make your necessary school supplies, transform ordinary clay into wizard money, make your own spell book and learn to write with a quill, brew a special potion in Potions class, play Quidditch, and more!

Harry Potter 2: *The Chamber of Secrets*

Welcome back to Hogwarts for your second year! Activities include learning spells and joining the Dueling Club, creating your own unique magical creature during Care of Magical Creatures class, making mandrakes during Herbology, creating your own wizard trading card, concocting Polyjuice in Potions class, playing Quidditch, and more!

Harry Potter 3: *The Prisoner of Azkaban*

Third-year students have a special trip in store for them—visiting Honeydukes and making wizard candy! You'll also make your own Marauder's map, learn the art of reading tea leaves in Divination class, realize your worst fear as you create your own boggart and the spell to banish it in Defense Against the Dark Arts class, make a special edible potion to bring you luck in Potions class, play Quidditch, and much more!

Harry Potter 4: *The Goblet of Fire*

For fourth year students, camp begins at the Quidditch World Cup! Find out what country you'll be playing Quidditch for in the play-offs. Write predictions with a quill in Divination class and contribute an article to the Summer 2022 edition of the Daily Prophet to take home! The biggest adventure of all is competing in the Triwizard Tournament, and completing each of the three tasks, if you dare!

Harry Potter 5: *The Final Saga* (based on books 5-7 in the Harry Potter series: *The Order of the Phoenix*, *The Half-Blood Prince*, *The Deathly Hallows*)

Your last years at Hogwarts find you testing your wizarding mettle against the dark forces of Voldemort. Train for Dumbledore's Army, take apparating lessons, design and make your own product for Weasley's Wheezing Wheezes, make food and attend Slughorn's party, and hunt for horcruxes and much more!

Harry Potter 6: *The Magic Continues*
Want more Harry Potter? Explore in depth Hogwarts classes including Potions, Defense Against the Dark Arts, Divination, Quidditch and more! Discover the "muggle" history of the magic at the heart of the Harry Potter stories. Learn about fantastic beasts and where to find them as described by the famous magizoologist, Newt Scamander. Concoct potions, create other new crafts based on Hogwarts subjects, learn "real" magic tricks from a visiting professor, play Quidditch (on brooms!) as well as do some activities you've loved from the other Harry Potter camps.

NEW! Harry Potter 7: *Baking Magical Sweets and Treats*

Experience the world of Harry Potter in an entirely different way--by making foods from the Harry Potter books! Learn to bake from-scratch cauldron cakes and pumpkin pasties sold on the Hogwarts Express, special cookies from the Hogwarts School of Witchcraft and Wizardry, yummy treats found at Honeydukes, edible Golden Snitches, and much more! While waiting for the magical concoctions to bake, you'll play Quidditch (on brooms!), cast spells, and make wizardry crafts, including your own wand and broom. Compete for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Personalize a cookbook with all recipes made in camp to have on hand for your next Harry Potter party!

Club SciKidz LEGO® Camps

Come join Club SciKidz as we learn how to build and program LEGO®! In our 4-6-year-old camps, we feature LEGO® WeDo. Learn how to build and program different themes such as animals, people and giants. Bring your LEGO® creations to life by programming them on a computer with LEGO® WeDo software. In the 7-11-year-old camps, build a LEGO® Mindstorms robot. Each week focuses on a different theme. Enjoy programming your robot to solve challenges. For example, program a robot to fix a broken pipeline in Sea World Adventures; or compete in the Robot Olympic Games in Bot Olympiad. Every day brings a new challenge. Everyone can learn to build and program LEGO® robots!

In this adventure, come use LEGO® bricks and LEGO® WeDo robots to build an airplane rescue, a giant escape, and a sailboat storm. Learn how to program and operate their creations using a laptop computer and LEGO® WeDo software. This is a great camp to learn the basics of programming!

Advanced LEGO® EV3

Discover the fantastic programming possibilities with LEGO® EV3 robots! Using LEGO® EV3 software, learn basic and advanced programming. Start with basic programming to move and steer a robot rover. Then move onto challenges using your new knowledge to complete challenges such as making your robot drive in a square, complete a maze, run a race, and more!

WEDO: Robotics Amazing Mechanism

Come enjoy using LEGO® bricks and LEGO® WeDo robots to create a variety of different mechanisms. Projects include a hungry alligator, a flying bird, and a roaring lion. Learn how to program and operate your creations using a laptop computer. This is a great camp to learn the basics of programming!

LEGO® EV3 Robot Adventures

Discover the fantastic programming possibilities with LEGO® EV3 robots! Using LEGO® EV3 software, learn basic and advanced programming. Start with basic programming to move and steer a robot rover. Quickly advance to learn loops and incorporate touch and ultrasonic sensors in your programming. Challenges include programming a robot to run the bases on a baseball diamond and using a color sensor to follow a path.

Little LEGO® Robotics

This LEGO® program introduces you to some different WeDo model builds. Learn how to code and LEGO® WeDo robot builds to move. Construct a Giant that awakens when there is movement nearby! Build a racing program car, a space shuttle and a jumping rabbit all with LEGO®'s that move and are programmed by you!

Play Soccer

This camp is a perfect mixture of fun and learning using LEGO® WeDo robots. Using LEGO® bricks, build a goal scorer, goalkeeper, airplane pulling a banner, and cheerful fan. Learn how to program and operate your creations using a laptop computer. This is a great camp to learn the basics of programming!

Play-Well TEKologies LEGO® Camps flickr

Play-Well TEKologies provides project-based camps designed to teach principles and methods of engineering to you using LEGO®. The curriculum is designed by engineers, building on the math and science skills you learn during the school year. Utilizing over 20,000 pieces of LEGO® for each class, we engage you by solving real-world engineering challenges that explore concepts in physics, architecture, and engineering. Our goal is to foster a greater appreciation of how things work, and encourage the qualities of inquisitiveness, self-reliance, and self-confidence.

Alpha Hockey Camps

Come focus on offensive and defensive skills, field sense and game strategy via small group instruction and scrimmaging. This camp is directed by both Margaret Maclean (head coach at Allegheny College) and Sophia Hamilton (head coach of Tuscarora High School and Alpha Hockey club coach). Coach Margaret is a former college All-American and All-Conference field hockey player. Coach Sophia is a former collegiate goalie, a 4-year NFCA Academic Squad member, a multiple conference and NFCA defensive player-of-the-week award winner. They raise the energy and enthusiasm for the game. The other camp coaches are current/former Alpha Hockey coaches, high school coaches and college players. Bring a field hockey stick, shin guards, mouth guard, cleats or turf shoes, certified field hockey eye goggles (optional), and a defensive corner mask (if already owned).

Therapeutic Recreation & Inclusion Services

- The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.
- Individuals with disabilities are encouraged to register for general recreation programs of their choice. Howard County Recreation & Parks has developed an inclusion process to better accommodate individuals with disabilities. This process has been recently updated.

Please check online for new and updated camp sections (<https://tinyurl.com/hcrregister>).

- To ensure that we meet your program needs, please contact Tori Taylor, Therapeutic Recreation Coordinator, at least two weeks before the program begins to request accommodation services.

The Process to Request Accommodations:

1. Choose your fun! Look through the guide and find a program you or your family member would like. Howard County Recreation & Parks has many programs to choose from. You are always welcome to call us if you would like some guidance when choosing.
2. Once you know what program you'd like to participate in, the next step is to register. When registering, let us know that you will need an accommodation. You can register online, over the phone, or in person at any of our community centers.
3. Once registered for a program, the next step is to request an accommodation through our Accommodations Portal at www.howardcountymd.gov/Therapeutic-Rec. This portal will ask you for information about the program you have registered for as well as what type of accommodation you are requesting. It will send our Therapeutic Recreation team a notification when your request has been submitted.
4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make the program a success. Note: You only need to complete the Accommodation Assessment once a year; however, you must send all accommodation requests through the Accommodation Portal for each program you register for.
5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the Staff-to-participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis. Please note that all required paperwork must be completed for

requests to be reviewed.

If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

General Information

Camp information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Camp fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

**Waiver:* In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any camp or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled.

To leave before a day's camp is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate camp or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel camps, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a camp is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2020 Federal Tax Transcript and
 - Any proof of assistance from the Department of Social Services.
- Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the camp. There are no refunds given for missed camp days.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor camps will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled camps will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, camps in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual camps and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), A. Raul Delerme (Recording Secretary), Thomas M. Franklin, David Grabowski, Eduardo Marin (Student Member).

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.howardcountymd.gov/HCRPSponsors.
