

Tips for Backyard BBQs

Reusable dishes and silverware are best, or consider compostable for easier clean-up.

Minimize your trash by separating food scraps for compost.

Choose recyclable. Keep a blue bin out for empty bottles & cans. Consider adding signs to help your guests!

Compost

- Food scraps
- Paper towels & napkins
- Nuts & seeds (including shells)
- Compostable cups, plates & bowls
- Popsicle sticks
- Pizza boxes

Recycle

- Plastic bottles, tubs, jugs & jars
- Glass bottles & jars
- Soda cans
- Aerosol cans
- Cardboard

Trash

- Plastic bags & wrap
- Plastic plates, straws & utensils
- Aluminum foil
- Food & drink pouches
