

**HOWARD COUNTY
AGRICULTURAL LAND PRESERVATION PROGRAM**

**Letter Of Intent
Future Release of Children's Lots**

I have placed my property containing _____ acres in an agricultural easement held by Howard County. I understand that I am entitled to provide each of my children a one-acre lot at the rate of one lot per twenty acres of easement-encumbered land. While the release of these lots from the easement and subdivision will not occur until each child is ready to build, I wish to declare my intention now that those children listed below should each have a one-acre lot. I understand that the right to request lots for my children expires upon my death or the transfer of the property. This form protects the child lot rights through the settlement of my estate, at which point the child lot rights expire.
