On July 22, 2004, H.R. 218, also known as the “Law Enforcement Officers Safety Act of 2004,” was signed into law. The law allows qualified active and retired law enforcement officers to carry a concealed firearm nationwide. It is the intent of the Howard County Police Department to offer its retirees the opportunity to certify under the parameters of the law.

GUIDELINES FOR H.R. 218

The classroom portion of the training shall include, at a minimum:

1. Firearms Safety: While training, at home, storing and transporting in a vehicle, or on a person.
2. Firearms Care: Cleaning and maintenance.
3. Marksmanship Fundamentals.
4. Legal Issues: “You are not a Police Officer.”

The retirees need:

1. A functioning firearm (revolver or pistol) that holds at least five rounds, as the entire course is shot in five round increments.
2. A belt holster that allows the firearm to be drawn from the strong side (cross draws, waist bags, ankle holsters and the use of pants pockets will not be allowed, for safety reasons).
3. Sixty (60) rounds of ammunition suitable for the firearm (30 rounds for the daylight course of fire and 30 rounds for the reduced light course of fire).
4. HCPD will provide the necessary safety equipment.

Qualification:

A minimum score of 70% is required on both the written test and each qualification course of fire. The qualification shall be on an MPCTC approved course of fire, utilizing MPCTC approved targets.

3. Have a full trigger guard.

Revolvers Must:

1. Have double action capability.
2. Have hammer block safety or transfer bar system that prevents firing unless the trigger is pulled fully to the rear.

Semi-Automatic Pistols Must:

Have a firing pin block or similar passive device that positively blocks the firing pin from forward travel unless the trigger is pulled fully to the rear.

Sights:

1. Must have open sights, fixed or adjustable.
2. No special optical, mirror, telescopic, or other sighting system other than would normally be found on a police service handgun.

Holsters:

1. Must be a conventional right or left-handed draw holster that attaches to the belt at the waist.
2. No inside-the-pants, shoulder, cross-draw, or “fanny-pack” type holsters.
3. Semi-automatic pistol holster must completely cover the trigger guard when the pistol is holstered.

NOTE: The Firearms Instructor is the final authority regarding the approval of a weapon and/or holster.
