Schedule of Events

A message from the County Executive

Thanks...
for spending part of your day at Howard County's sixth annual GreenFest. I hope this is an enjoyable day that provides you with some practical information that you can take with you to your home and to your work. I truly appreciate the effort you make to help us do all that is possible to make Howard County a model green community. We couldn't achieve our goal without your support.

I especially want to thank the more than 100 vendors participating today in workshops, demonstrations and exhibits, along with all the sponsors and volunteers who help make GreenFest possible. I offer my thanks as well to the Departments of Recreation & Parks, Planning & Zoning and Public Works for organizing this event. Happy Earth Month!

Ken Ulman
