

Property Address: _____

Drawing must show road right of way. This is different than the property line or curb line.

Show sign setback from both road right of ways

sign

eg. 23' from road edge or street curb.

Applicant must show setback from leading edge of sign to curb face or road surface.

Show street names on all streets adjacent to the property.

Show dimensions from all setbacks and scale of drawing if know. Large Plans. Copy only the section that pertains to your sign permit request on an 11" x 17" sheet of paper. Make sure the copied drawing is clearly drawn before submitting your application. Following these guidelines will help speed up the plan review process and get your sign permit back to you much faster. Thank you for your anticipated cooperation.
