EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

(2) The bonds to evidence this loan or installments of this loan may be sold as a single issue or may be consolidated and sold as part of a single issue of bonds under § 8–122 of the State Finance and Procurement Article.

(3) The cash proceeds of the sale of the bonds shall be paid to the Treasurer and first shall be applied to the payment of the expenses of issuing, selling, and delivering the bonds, unless funds for this purpose are otherwise provided, and then shall be credited on the books of the Comptroller and expended, on approval by the Board of Public Works, for the following public purposes, including any applicable architects' and engineers' fees: as a grant to the Howard County Department of Recreation and Parks (referred to hereafter in this Act as "the grantee") for the acquisition, planning, design, construction, repair, renovation, reconstruction, and capital equipping of the South Branch Park, including site improvements to the park, located in Howard County.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issuance of the bonds.

(5) Prior to the payment of any funds under the provisions of this Act for the purposes set forth in Section 1(3) above, the grantee shall provide and expend a matching fund. No part of the grantee's matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. No part of the fund may consist of real property or in kind contributions. The fund may consist of funds expended prior to the effective date of this Act. In case of any dispute as to the amount of the matching fund or what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter and the Board's decision is final. The grantee has until June 1, 2018, to present evidence satisfactory to the Board of Public Works that a matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact and the amount of the matching fund to the State Treasurer, and the proceeds of the loan equal to the amount of the matching fund shall be expended for the purposes provided in this Act. Any amount of the loan in excess of the amount of the matching fund certified by the Board of Public Works shall be canceled and be of no further effect.

(6) The proceeds of the loan must be expended or encumbered by the Board of Public Works for the purposes provided in this Act no later than June 1, 2023. If any funds authorized by this Act remain unexpended or unencumbered after June 1, 2023, the amount of the unencumbered or unexpended authorization shall be canceled and be of no

further effect. If bonds have been issued for the loan, the amount of unexpended or unencumbered bond proceeds shall be disposed of as provided in § 8-129 of the State Finance and Procurement Article.
