March 2017

The Howard County Recycling Division sponsored this coloring book contest to promote the idea of 'Reduce, Reuse, Recycle' and encourage all third, fourth and fifth graders in Howard County to express their thoughts through art. This contest was very successful and we hope that everyone enjoys the winning selections. As you can see from the themes expressed in these drawings, Howard County students are well aware that their actions have an impact, not only locally, but globally as well.

A special thank you to all schools who participated in the production of this book:

• Keep calm & Recycle • Don't be trashy, recycle • Recycle today for a better tomorrow • Reduce, reuse, recycle • Never refuse to reuse • Think outside the trash... Recycle! • Go green

Recycling takes little effort on your part, for a big difference to our world. Recycle clear.

REDUCE, REUSE,  
RECYCLE!

Recycling! • Think before you throw • Why recycle glass? The answer is with recycling!
