Legal Name of Recipient (If a corporation, please give name exactly as it appears in the Articles of Incorporation as registered with the State Department of Assessments and Taxation):

*Howard County Government*

Legal Status of Recipient (e.g., corporation, local government):

*Local Government*

If the recipient is a non-governmental entity, is it governed by:

Board of Directors       Board of Trustees

Other. If other, please explain:

Address of Project and Recipient (If project and recipient have different address, include both)

*8000 - 8600 Block of Main Street (extending east to the Baltimore County line, west to Klien Avenue)*

Briefly describe the purpose and reason for the project:

*The project is intended to replace and reconstruct sidewalks and related streetscape along Main Street in Ellicott City. As a result of flash flooding in 2016 and 2018, large portions of the sidewalks were damaged. A Master Plan effort has been undertaken to determine resilient sidewalk materials and assess related improvements. Funding requested would be utilized to reconstruct permanent sidewalks, curbing, streetscape and related accessibility improvements.*

Amount of Matching Fund:

Equal match (this also includes an amount higher than that of the bond requested)

Unequal match (less than the amount of the bond requested)

Amount of unequal match:

No match

Type of Matching Fund:

Money       In kind (e.g., donated services)

Real property       Funds expended before June

Does the project or recipient have any religious affiliation or involvement?

Yes       No

Please list the year and bill number of any previous bond bills.
