Hi Sharon,

I think the sleeves you provided in the picture is great. That addresses the concern and style that the Commission brought up. **Consider this your staff approval for moving forward with the black bollard covers.** Let me know if you have any other questions.

Thank you!!

Hi Beth,

Would the attached bollard cover be acceptable in black for parking lot d?

Thanks,

Sharon

They come in black. The flare at the bottom allows them to be 51" covering a 48" pipe and 4" pipe inside.
