

Howard County Age-Friendly Transportation Work Group

Agenda (**Revised: includes notes from meeting in bold type**)

May 12, 2020

3 – 4:30 PM

3:00 - Welcome

Roll Call

Acceptance of 4/23/2020 Minutes

3:10 – 4/23 Meeting Follow-up

Review questions raised since last meeting

Age Friendly definition—**Age-Friendly Howard County is not just looking at people of a certain age but striving to serve individuals of all ages.**

Approach to transportation in various parts of the county—**this was addressed in the vision statement for the workgroup which identified that there would be focus on all areas of the county. There is no acknowledgement that there would be consistent transportation services across the county, however.**

Update on Vulnerable Population Index – Bruce G

Follow up on presentations – Bruce G

RTA usage data was not available for this meeting. Bruce G. will send it out as soon as it is prepared. It will show number of General Paratransit Trips by type, with an age breakdown and there will be information about the number of older individuals using the fixed route buses.

3:40 – Neighbor Ride Overview and PowerPoint – Bruce F

4:00 – Survey Compilation Report – Terri

4:15 – Prioritize presentations for future meetings

4:30 – Adjourn

Homework: everyone will review the list of potential speakers for future meetings. Please submit your first, second and third choices to Bruce Gartner and Brad Closs no later than May 19th. You may omit voting on the Lyft/Uber staff presenting as this is a definite presentation. Bruce G. will attempt to arrange this presentation at the June 9th meeting.
